Gourmet Gents

Sponsorship Package

National Coalition of 100 Black Women

The Coalition was founded in New York in 1981 by a group of women who came together to establish a leadership forum for Black women that represented the breadth of professional diversity from the public and private sector. There are now chapters throughout the country.

The Indianapolis chapter was founded in 1982 and includes a broad cross-section of women who represent a variety of professional and entrepreneurial endeavors, ages, backgrounds, and involvement in the Indianapolis community.

Mission

The National Coalition of 100 Black Women (NCBW), a 501c(3) organization, advocates on behalf of women of color through national and local actions and strategic alliances that promote its national and international agendas on leadership development and on gender equity in the areas of health, education, and economic development.

Vision

We are an organization of progressive women of African descent whose voice and force for gender equity and sociopolitical advancement drives meaningful change to benefit women of color.

Cooking for a Purpose

Gourmet Gents is one of the National Coalition of 100 Black Women's (NCBW) signature events. Since its 1991 inception, the affair has become a popular fundraiser, featuring a silent auction, a diverse mix of delicious delights, and entertainment! Each year, the event continues to attract more than 600 food tasters eagerly waiting to sample the different dishes prepared by key corporate executives, politicians, professionals, civic leaders, and business owners. In past events, upwards of thirty-five gentlemen and fifteen junior gents volunteered their time and talents to prepare their favorite recipes while demonstrating their culinary skills to raise money for a worthy cause!

This year we plan on reaching participants and Indianapolis area businesses devoted to NCBW's mission and vision. We estimate that more than 600 attendees, including sponsors, community partners, members of other mission focused organizations, business representatives, and civic leaders will participate in this year's event.
